

Celebrating 25 Years

The Fulda Area Credit Union celebrated our 25th Anniversary with an open house on Saturday, September 24, at the Fulda Community Center. The formation and historic opening of the Credit Union on September 15, 1986, was told by the original founders.

Mark Cummins, President of the MN CU Network, presenting 25th Anniversary Plaque to Linda Jacobson, President, and Bert Kolander, Former Board Chairman, Fulda Area Credit Union

According to the state and credit union officials, the Credit Union's opening was believed to be the first attempt in recent times to solve rural credit problems through a cooperative banking system. We especially want to thank all our members who believed in us and supported us in our formation in 1986 and all who have joined us over the past 25 years.
